

A Halstead WEA Course

Tutor: Andrew BeHarrell

wea.org.uk

Money - we all want it and we all need it, but what is it?
This course will look at the history and uses of money:

- What has been used as money?
- How does money measure value?
- How does it affect our everyday lives?
- Learn about the central bank, money supply, exchange rates, inflation and how all this affects the economy.

No previous experience is needed and everyone is welcome!
